BLUE GRASS COUNTIES TO FIGHT HIGH TAXES

Arbitrary Raises of State Commission To Be Resisted—
Madison Joins In

The worm has finally decided to turn.

After taking raise after raise in taxes from the State Tax Commission, a number of central Kentucky counties have decided to go into the courts and resist the latest raise ordered.

Madison county was represented at a meeting of officials of the counties held at Lexington Wednesday afternoon by County Judge John D. Goodloe, County Attorney Joe P. Chennault, Tax Commissioner W. W. Adams and several others. The Madison county supervisors added on most of the raise ordered by the State Tax Commission, but lacked about \$250,000 of getting the full amount the state tax moguls demanded.

The Herald said, in part, of the meeting at Lexington:

"To curb, if possible, the arbitrary increases levied by the state tax commission," seven county judges and other officials met in the office of County Judge E. H. Doak, and following a conference lasting several hours, decided to unite against the commission in a test of the commission's authority, taking the fight to the courts, if necessary.

Six counties were represented in addition to Fayette, all being from central Kentucky, where, it is alleged, the "arbitrary" position of the tax commission has been felt most keenly.

All of the officials at the meeting voted to resist the commission in a legal fight if this becomes necessary, oppose vigorously the action of the commission in ordering the county judges to reconvene their boards of tax supervisors and increase the county valuations to conform with the figures fixed by the commission.

In addition to County Judge E. H. Doak, who presided, county judges present were: J. D. Goodloe, of Madison county; J. B. Ward, of Scott county; R. S. Scoobe, of Clark county; E. T. Pollard, of Shelby county; G. M. Treadway, of Garrard county, and M. C. Minor, of Boyle county. J. P. Chennault, county attorney of Madison county, acted as secretary.

Following the meeting it was announced that at least fifteen other county judges had indicated their intentions of joining in fight against the tax commission.

A statement issued by the judges following the conference said in part: "After full discussion of the individual situations in respective counties it was the consensus of opinion of all present that the interests of the public generally demands that steps be taken to curb, if possible, the increasing and arbitrary increases levied by the state tax commission."

Judge Doak was named as the representative of the judges to take such steps as should be necessary to institute the proper action against the commission, should it attempt to force the judges to reconvene the county boards of equalization.

At the close of the meeting it was announced that a meeting of county attorneys from the seven counties represented will be held Monday afternoon in the office of Judge Doak at 2 o'clock to investigate the legal situation presented, to determine the course to be pursued and to employ counsel to assist in the prosecution of the case if it be necessary.

The meeting began at 2 o'clock Wednesday afternoon, following the return of Judge Doak from Frankfort where he appeared before the tax commission on a call from the chairman Rainey T. Wells, to show cause why the reassessment of Fayette should not be ordered. Mr. Wells was ill and unable to attend the hearing, but Judge Doak submitted a written report of his view of the situation, which was taken under advisement by the commission.

The concerted action of the county judges represents the first extensive attempt to fight the decisions of the tax commission. While protests against the

commission's actions during the recent years have been many, most have been individual cases, the meeting of yesterday being the first effort ever made to combine the counties and carry the fight against the commission into the courts.

In addition to the county judges those who attended the meeting yesterday and sanctioned the stand taken by the judges were: J. P. Chennault, county attorney Madison county; H. C. Ford, county attorney Scott county; Spence S. Carrick, county attorney Fayette county; W. W. Adams, tax commissioner of Madison county; William White, tax commissioner for Fayette county; Faust Foushee, county clerk of Fayette county, and James Bradley, county clerk of Scott county. In addition to these officials, Attorneys Rodman W. Keenon and George Webb, of Lexington, J. J. Greenleaf and O. P. Jackson, of Richmond, all attended the meeting and participated in the discussion.

The situation existing in other counties opposing the tax commission is similar to that in Fayette. An assessment of \$91,000,000 was fixed for Fayette by Tax Commissioner Wm. White and these figures were submitted to the state commission. After reviewing the figures the commission ordered an increase of \$10,000,000 making the total assessment \$101,000,000.

The county board of supervisors of Fayette county met and after remaining in session many days, made increases amounting to approximately \$4,500,000. The increases on farm lands and town lots were met, but the board declared it was unable to meet the raises asked on tangible and personal property.

These figures were then certified and forwarded to the tax commission at Frankfort. Upon their receipt Judge Doak was ordered to appear before the commission and show cause why reassessment should not be ordered.

Judge Doak in his statement to the commission declared that in his opinion the board of supervisors which has just adjourned made a good assessment. He expressed a doubt that he has authority to reconvene the board and make a reassessment to meet the demands of the commission. He took the position that the state commission has no power to order a reassessment, and if it has, it is under the acts of the Assembly of 1920 and such reassessment he added, would finally have to be referred back to the local board for approval. He challenged the opinion of Attorney General Charles I. Dawson, giving the commission the right to go into a county and order a reassessment at the county's expense.

Acting Chairman James Scott, after Judge Doak's statement had been read, declared that it was the Commission's desire to equalize the assessment of the counties fairly and impartially and declared that the commission derived its powers from a legislative act of 1917.

"If you want to bring a suit and test out the powers of the commission, we are ready," said Acting chairman Scott. "If there is anything we like it is a fight, especially a fight that will establish the authority of the commission, which I believe such a suit would do. If the commission has no authority to pass upon the reassessment of county boards the sooner we find it out the better. It looks to us like you and your board are up against public sentiment and you are afraid of it. If the commission has to send a staff of experts to Fayette to make a new assessment, it will be composed of men who are not afraid of this sentiment that you talk about and who will get a better assessment than your board has been able to make."

HOOVER HAS PLAN TO STOP COAL RAISES

(By Associated Press)

Washington, May 18—Secretary Hoover asked and obtained today approval of leading operators in the non-union bituminous coal fields for the government plan of "getting the coal industry by a voluntary action to put a stop point on increases in coal prices," during the period of the existing strike. The plan which was approved by 40 operators, calls for the creating of a committee of operators with government and consumers' representatives serving on it in each district where coal is produced, through which all orders for coal will be cleared. A similar general committee will be set up in Washington. Hoover said Attorney General Daugherty held the plan legal.

BAPTISTS BREAK MISSION RECORDS

Says Dr. Love's Report to Southern Baptist Convention Meeting At Jacksonville

(By Associated Press)

Jacksonville, Fla., May 18—All previous records on the foreign mission fields were broken during the last year by the agencies of the Southern Baptist Convention, Dr. J. F. Love, secretary of the Foreign Mission Board at Richmond, reported to the convention today. There was a gain of 154 in the number of foreign missionaries on the fields, 80 local churches, 14,600 members, 135 Sunday schools with an enrollment of 13,691, and 15 native assistants, the report shows, while the increase for the year in the contributions of the native churches was \$211,775, the total contributions of the churches being \$454,235.84.

Other items in the report show a gain of 62 mission schools with an increase of 3,641 pupils enrolled.

The summary of results covers the work of the fields in China, Japan, Africa, Italy, Brazil, Mexico, Chile, Argentina, and Uruguay, the older fields occupied by the Board, as the work in the fields of Spain, Jugo-Slavia, Hungary, Roumania, Southern Russia, Palestine, Syria and Siberia is confined largely to re-enforcement of the native workers and institutions. On the older fields the denomination reports 622 churches with a membership of 4,251; 971 Sunday schools with membership of 53,691; 459 foreign missionaries, 1,137 native assistants, 23 foreign physicians and 9 foreign nurses with 15 native physicians and 56 native nurses, 14 hospitals, 16 dispensaries and 160,656 treatments being administered during the last year.

In addition to its regular missionary work the Board through its European commissioner, Dr. J. H. Rushbrooke, has been enabled to secure religious liberty for the Baptists of Roumania and has made a large contribution to the relief of the suffering in Russia. In addition to cash and food sent by the denomination the Baptist women of the South sent seventy tons of clothing to Russia. Considerable relief work was done in China also during the year.

Secretary Love's report shows that out of every dollar contributed to foreign missions only 3.74 cents is required in defraying the total cost of administration, leaving 96.26 cents that goes into actual mission work on the foreign fields.

BIG STILL FOUND IN CLARK COUNTY

Winchester, Ky., May 18—Federal Officer Robert Duff, assisted by Officers Treadway and Duff's three sons, made a raid in this county early this morning, capturing a complete copper moonshine still of sixty gallons capacity in operation and arresting the operator. The still was found in the barn on the farm and near the home of Steven Bowen, near Pilot View.

When the raiding party was approaching the scene, Bowen was in the barn milking and made a rush for the bushes behind which several of the party were hiding. He was arrested. The still was brought to this city and is on exhibition here. Fifty gallons of mash and two and one-half gallons of whisky were also taken. The prisoner was taken to Mt. Sterling where he will be tried before the Federal Commissioner. Bowen is said to own about 2,000 acres of land in the Pilot View section of the county.

The Portsmouth Commandery arrived yesterday with about 200 in the delegation.

Grand Jury May Have Stenographers After June 15

A new law becomes effective June 15 permits the presence in grand jury rooms of stenographers who may take down the testimony of witnesses who appear in seeking an indictment or in conducting an investigation. Transcripts of this testimony to be available to the commonwealth's attorney to be used in prosecution when an indictment is returned. The purpose of the act is to prevent persons who testify before the grand jury from changing their statements when they come into open court. Heretofore, only members of the grand jury, witnesses and representatives of the commonwealth have been permitted to attend grand jury hearings.

"Human Fly" Falls Sealing Courthouse

Washington, Ind., May 18—Mark Redmon, 22 years old, said to be the youngest "human fly" in America, performed his last feat here last night before a crowd of 2,000 persons assembled in front of the courthouse. Redmon fell when near the top of the courthouse and if he lives which the doctors say is improbable, will be a cripple for life. He struck 20 feet below the concrete roof of the courthouse portico. Redmon was sealing the courthouse in a benefit performance for the American Legion post and as he ascended amused the crowd with witticisms. "I am responsible for more persons looking toward heaven than Billy Sunday," sang out Redmon, hanging to his perilous perch by his toes. Then he fell.

\$10,000,000 IN CASH FOR POOLERS

(By Associated Press)

Lexington, Ky., May 18—The last of 750,000 checks from the Burley Tobacco Growers' Cooperative Association to members of the association in the burley counties of Kentucky, Ohio and Indiana, were mailed today. They carry nearly \$10,000,000 cash for farmers. The checks will be delivered Saturday to growers in their home counties.

SATURDAY TO BE BARGAIN DAY

The merchants of Richmond are right up to the minute. Realizing that the tobacco people are to be made happy Saturday when they receive their second payment on their crops, they are going to put a little more happiness into their lives by offering many bargains in their particular lines. This will mean the saving of many dollars to the farmers Saturday, for each of the merchants has made tremendous reductions on stocks which will be advertised in Friday's paper.

For the benefit of the farmers the following firms who have joined the Dollar-Day movement are listed. There will be many more to enlist before the advertisements are published. Read them over and visit their stores when you come to town Saturday:

Richmond Millinery Co.
Johnny Jones.
Pushin's Fashion Shop.
Louis Glazer.
Cohen's Store.
Mrs. B. E. Belue Co.
Cox & March.
J. B. Stouffer Store.
Richmond Welch Store.
J. S. Stanifer.
Rice & Arnold.

It's going to be a big day in Richmond. The town will be crowded with the farmers and their wives and a welcome goes out from all the Richmond merchants and citizens to the country populace.

PARIS JAILER LOCKED AND TWO ESCAPE

Paris, Ky., May 18—When Jailer Taylor at 8 o'clock Wednesday night went to the cell occupied by two brothers named Center, to place another prisoner in the cell with them, he was seized, overpowered and his keys and revolver taken from him. He was then thrust into the cell with the other prisoner and the door locked. Unlocking the other doors the two brothers quickly made their escape, locking all doors behind them.

Jailer Taylor's outcries were heard by his family, who thinking the jail building was on fire, turned in a fire alarm. The Center brothers were arrested in Paris several weeks ago on a charge of stealing two mules from a farmer in Knox county. They were held to the grand jury and it has been learned that both are wanted in Cincinnati, Covington and other towns for various offenses. A reward has been offered for their recapture and all surrounding towns have been notified.

Boy Playing Ball On Rails, Killed At Maysville

Maysville, Ky., May 18—John Gettis, 9 years old, was killed by an east bound C. & O. freight train near the depot here Wednesday afternoon. He and several other boys were playing ball when he was run over.

FEUD OUTBREAK IN BELL COURT HOUSE

Six Men Shot At Pineville When Colsons and Balls Meet In Circuit Clerk's Office

(By Associated Press)

Middlesboro, Ky., May 17—Riley Ball was shot and killed, Frank Ball probably fatally wounded and George Colson, Clay Colson and John Hurst shot, in an outbreak of the Colson-Ball feud at Pineville today.

The shooting began in the office of the circuit court clerk in the Bell county courthouse where the parties assembled for the arraignment of Clay Colson on a charge of killing Ira Ball here several months ago. The struggle continued downstairs.

Five men are under arrest and a large number of deputy sheriffs are patrolling the streets. Further trouble today is not expected.

Frank Ball, who was shot thro the head is an uncle of Riley Ball. He is 50 years old. He will probably die. John Hurst, aged 24, is shot in the stomach, probably fatally. Clay Colson, 45, has a flesh wound in the shoulder. Flint McDaniel, a bystander, also is said to have been wounded in the foot. There has been considerable feeling between the families since the killing of Ira Ball.

ODD FELLOWS HONOR REED JUETT AGAIN

Reed Juett, of Richmond, is very close to the highest office in the Odd Fellows Encampment. Having been elevated to Grand Junior Warden at the 83rd encampment just held at Lexington.

R. M. Nance, of Providence, was elected grand patriarch. John W. Countz, of Paducah, was elected grand high priest. Other officers for the ensuing year are: O. H. Below, Louisville, grand senior warden; Reed Juett, Richmond, grand junior warden; R. G. Elliott, Lexington, grand scribe; B. J. Durham, Danville, grand treasurer; Charles Tucker, Newport, grand representative; T. B. Fauntleroy, Paducah, grand marshal; A. Galloway, Owensboro, grand inside sentinel.

The report of Roy Forman, past grand patriarch, showed an increase of more than 400 Odd Fellows in the Grand Encampment in Kentucky during the past year.

More than 100 members from all parts of Kentucky attended the meeting.

Dandelion Wine For Home Use Under Ban

Newark, N. J., May 18—Dandelions are not fruit and hence cannot be used legally in the manufacture of wine for family use. Dandelion wine addicts with a conscience are responsible for this ruling of Federal Prohibition Commissioner Haynes, made public today by Collector of Internal Revenue Ferguson. Constant inquiries by law abiders who feared dandelions might not be one of the fruit wine stocks permissible for householders to use on permit caused him to send the query to Washington, Collector Ferguson said.

Railroad Robbers Convicted

Six of the seven men charged with receiving stolen property from the Southern Railway Co. and who were arrested last October by railroad detective J. E. Wallin and U. S. Deputy Marshal J. A. Coleman, were found guilty in the federal court at London. The men were arrested in connection with receiving property that was stolen from freight cars near King's Mountain. The six men convicted, all of whom live at King's Mountain, are Morris Farris, Grant Dishon, George Smith, J. H. Snow, Milford Williams and Dewey Houpp. The case against Zack Paggett was dismissed. Houpp was the only one to plead guilty before the court convened. After the trials had begun Dishon changed his plea from not guilty to guilty.

Methodists Condemn
Increase in Divorce

Hot Springs, Ark., May 18.—The committee on temperance and special service of the Methodist church, south, announced

completion of a report condemning what is regarded as an "abnormal and unwarranted increase in the amount of divorce" and specifying among other things that before officiating at a wedding where one of the parties is divorced the man shall obtain a statement as to the reason for the divorce. The church it was stated, will continue to recognize only one ground for divorce—unfaithfulness, on the part of either husband or wife—and no minister may perform the ceremony where either of the contracting parties has been divorced for any other cause.

**EASTERN WINS
THE FIRST GAME**

Eastern Normal won the first of the two games scheduled with Western Normal in baseball on the Eastern diamond Wednesday afternoon by a score of 6 to 4. The game was called in the last of the seventh on account of rain with Eastern at the bat. There were no outs marked to Hembree's men and they had shoved two more runs across the plate. Welch pitched for the locals in fine form. He allowed seven hits but kept them scattered. Hembree's pitching selection struck out eight men including four strike-outs in the third when one was safe after Vandever dropped his third strike. Welch's drop was under control and kept the visitors guessing. Besides pitching in fine form, he drove out a double and single in three tries at bat. Both hits figured in scoring.

Eastern took the lead in the first inning. Little fled out to Cartwright, but Lewis was good for a single to left. He was forced at second on Short's roller to Horn, but Short covered the rest of the distance to the plate on Welch's double to left. The local lead was shortlived, as Western took the station at the head of the run column by scoring four runs in the third on hits by Horn, Vincent and Morris, a passed ball and a wild pitch. This ended the Western scoring for the day, but their lead was not overcome until the sixth. The locals took a position a little closer to Western in the fifth by scoring one tally. This came as the result of the booting of Stephenson's grounder by Cartwright, his steal of second and third and a sacrifice fly to right by Little.

**Hips, Back and Legs Would
Have That Tired Ache**

Everett, Washington.—"For several years I have had trouble with the lower part of my back and my hips and my legs would ache with that tired ache. I could hardly stand on my feet at times. I was always able to do my work although I did not feel good. I saw Lydia E. Pinkham's Vegetable Compound advertised and having heard several praise it I decided to try it. I feel first-rate at the present time. It has done wonders for me and I keep it in the house right along. I always recommend it to others who are sick and ailing."—Mrs. J. M. SIBBEN, 122 High St., Everett, Washington.

To do any kind of work, or to play for that matter, is next to impossible if you are suffering from some form of female trouble. It may cause your back or your legs to ache, it may make you nervous and irritable. You may be able to keep up and around, but you do not feel good. Lydia E. Pinkham's Vegetable Compound is a medicine for women. It is especially adapted to relieve the cause of the trouble and then these annoying pains, aches and "no good" feelings disappear. It has done this for many, many women; why not give it a fair trial—now.

Eastern won the game in their half of the sixth when they bunched their hits. Lewis was first up and cracked a single to right. He took third on Short's hit to the same field and scored on Welch's drive to center. Short taking third. Welch stole second and took third when Craycraft booted Potter's grounder. Short scoring. Potter stole second and took third on a wild pitch which permitted Welch to score. Potter ended the scoring when he came home from third on an out at first.

Horn at second was the outstanding star for the visitors. He made three safe hits in as many times at bat and handled 7 chances in the field without an error. One of his hits was a triple to deep left center. Besides Welch, Lewis was the only Eastern man to get over one hit. He cut in with two singles that came just when needed.

Little pulled the star fielding feat of the day in the second inning. He ran in from left at top speed to make a fine catch of Howton's low liner. Mainous showed some fine work in the field. He made two put-outs of base runners on hard chances. Besides receiving credit for two assists without an error, Stephenson lead all on the paths with three clean steals. Four double plays were made, three of these executed by the locals. The two teams will tie up again on Normal field Thursday when another good game is expected.

There was one bunch of extra good cattle, wanted to make exports of, that brought 7 1-2c. This bunch was extra in every respect. Oxen sold by the pound at 4c. John Blanton had a mixed lot of 250 that realized a very satisfactory price. T. B. Hill purchased 30 heads of good ones at prices ranging from \$4.90 to \$6.50.

N. Stapleton, of Johnson county, was on hand with 90 head of good ones from which he realized 6 3-4c and up. These were good ones that carried an average of 657 pounds. There were some good mules

on the market and only a few exchanged hands, selling from \$100 to \$200 per head.

No fancy horses were offered. Common grades were plentiful and sold at prices ranging from \$65 to \$100. Ponies brought

good prices, ranging from \$100 to \$110. The good sales were due largely to the abundant grass crop.

Mrs. W. P. Millard entertained her bridge club Wednesday afternoon at her home on the Summit. Among the players were Mesdames E. C. Stockton, Murray Smith, Harry Hanger, A. B. Denny, T. C. McCown, M. C. Kellogg, Overton Harber, Allen Zaring, T. D. Chenault, Shelton Sauley, S. J. McLaughery, Harold Oldham, R. C. Boggs, R. R. Burnam, Jr., Misses Emma Watts and Elizabeth Turley, Mesdames C. E. Smoot, Homer W. Carpenter, R. E. Turley, Henry White and G. W. Goodloe joined the party for lunch.

Local Ladies Entertained

Mrs. W. S. Glor was host yesterday at a beautifully appointed luncheon at which her guests were Mrs. J. G. Bosley, Mrs. J. J. Greenleaf and Mrs. Lewis Neal, of the Bogneshboro Chapter of the D. A. R., Richmond, Ky., Mrs. Christopher Williams, of the Fort Dearborn Chapter, Evanston, Ill., Mrs.

Robert Graham Evans, of the John Rochester Chapter, Danville, Ky., Mrs. Jas. Harris Baughman, Regent of St. Asaph Chapter, Mrs. J. M. Bryant and Mrs. Glor, of St. Asaph Chapter. Mrs. Glor's hospitable home was gorgeously decorated with early summer flowers for the occasion and after a most delicious four-course luncheon her out of town visitors were guests of Miss Nannie Fisher, who was host to the St. Asaph Chapter.

At Home To Seniors

Prof. and Mrs. H. L. Donovan most beautifully entertained the senior class of 1922 Monday evening at their home on the Summit. The house was artistically decorated with pink and white roses, peonies and blue iris, with an abundance of foliage, while the porches were made inviting with crimson clover and ferns among which shone the soft light from Japanese lanterns. The lights throughout the house were shaded with the class colors, pink and blue, in flower designs.

The evening's entertainment consisted of games and various interesting stunts performed by the seniors. Those who assisted in the entertaining were Mr. I. H. Boothe and Mrs. Boothe and three junior girls, Misses Thelma Champion, Bess Owens and Fern Stone. Members of the faculty present were Prof. T. J. Coates, Prof. W. J. Grinstead, Prof. and Mrs. C. A. Keith, Miss Louise Stuart Roe, from Austin, Texas, Miss Roberts and Miss Dettwiler.

At the close of the games which afforded much merriment, delicious ice cream, strawberries and individual cakes were served. The hospitality was one of the prettiest and most enjoyed of the many spring social functions and will linger as a pleasant memory with the class of 1922.

Mr. G. P. Martin spent Tuesday and Wednesday in Irvine.

Mr. and Mrs. Harry B. Wilson were hosts at an enjoyable bridge party Thursday evening at their home in Irvine.

MUSICIANS GO TO HEAR SCOTT

Richmond will send many of her musicians to Lexington Friday to the Music Federation Convention and to hear the Scotti Opera Company which is to appear matinee and night at Woodland Auditorium and will present "Carmen" in the afternoon and "Pagliacci" and "L'Arocolo" a double bill, in the evening. The one day will be devoted to the highest musical entertainment of the season in central Kentucky.

Four years ago Antonio Scotti, famous baritone of the Metropolitan Opera Company, inaugurated the first tour of the Scotti Grand Opera Company and visited a few cities in the middle west in the early autumn with a company made up principally of artists, chorists and orchestra from the Metropolitan Opera House in New York and

with a repertoire of three operas. The success of the venture was instantaneous. The public realized that there was grand opera worthy of the name, grand opera as it was given at the Metropolitan and on a scale of magnificence heretofore never attempted by a traveling organization. The tour was artistically and financially successful.

19 Year Record for Pee Gee Mastic Paint

Home of Mrs. T. G. Green, Eatonton, Ga.

Down in Eatonton, Georgia, you'll find real proof of the splendid wearing qualities of Pee Gee Mastic Paint. It was used there some nineteen years ago on the home of Mrs. T. G. Green, who writes the following letter:

"My house was painted with Pee Gee Mastic Paint nineteen years ago, and I want you to estimate what will be needed to go over it again. The house is in splendid condition although such a long time has elapsed since it was last painted. One room in which Pee Gee Flatcoat was used nearly twelve years ago is in good condition still, but I want it freshened up."

The great durability of Pee Gee Mastic Paint is due to its 50% of Zinc content ground in pure Linseed Oil and White Lead, making it a Double Pigment Paint.

Pee Gee Mastic Paint produces a tile-like film which successfully resists the elements, does not crack, peel or chalk off.

The high zinc content gives Pee Gee Mastic Paint its unusual covering and wearing capacity. It is by far the most economical paint you can use.

For interior walls and ceiling, use Pee Gee Flatcoat; the modern, sanitary, durable, flat oil finish. Comes in 24 deep, rich velvety colors.

BANKERS DEFINE "LEGAL TENDER"

(By Associated Press)

Louisville, Ky., May 18—The term "legal tender" is applied to any money that is legally tenderable in payment of debts, unless the contract calls for payment in some specified kind of money, according to a definition and table carried in the current bulletin of the Kentucky Bankers' Association.

The various kinds of money used in the United States and their respective legal tender qualities are given as follows:

Gold coin, legal tender to an unlimited amount.

Silver dollars, legal tender to an unlimited amount.

Treasury notes of 1890, legal tender to an unlimited amount.

Subsidiary silver (halves, quarters and dimes) legal tender to the amount of \$20.

Minor coins (nickels and pennies) legal tender to the amount of twenty-five cents.

United States notes, legal tender to an unlimited amount, but not in payment of duties on imports or interest on the public debt.

Gold certificates, legal tender to an unlimited amount.

Silver certificates, not legal tender, but receivable for all public debts.

National bank notes, not legal tender, but receivable for all public dues, except duties on imports. All national banks are required by law to receive the notes of other national banks at par.

Federal reserve notes, not legal tender but receivable by all national and member banks and for taxes, customs and other public dues.

Federal reserve bank notes, not legal tender, but receivable for all public dues except duties on imports.

Bantam Hen Kills Rats

(By Associated Press)

Barbourville, Ky., May 18—A singular combat was staged at the home of Charlie Smith on Main street a day or two ago, when a rat trying to capture the chicks of a bantam hen attacked them. The mother hen immediately went to the rescue and all that was to be seen was the feathered bantam covering the rat and pecking violently at the intruder. The rat put up a hard fight but the little bantam pecked out the eye of its enemy and then proceeded to kill it. The fight was witnessed by Mr. and Mrs. Smith and Mrs. James Wilson.

COLVIN TELLS SCHOOLS TO USE ECONOMY

State Superintendent George Colvin at Frankfort, is sending out to school boards a circular letter on the subject of economy in school management which will be read with interest. He writes:

To Superintendents and members of Boards of Education—Good schools are not possible without good teachers. It is not possible to secure good teachers unless we are willing to pay them at least a living wage. Teachers, the nation over, have generally been underpaid. In Kentucky we have always been far below the national average. Due to the low salaries paid three years ago, Kentucky faced teacher shortage of 2,250 according to the report by the federal bureau. To supply this shortage, two years ago the legislature increased the minimum salary of teachers from \$15 to \$75. To raise the funds to meet this increase in salary a local tax was provided and made compulsory. As a result, a teacher shortage of 2,250 was converted into a teacher surplus. As a further result, more than 7,000 of our teachers attended summer school last year. We were able also to induce many of our very brightest young men and women to prepare for the teaching profession with the assurance that at last the teaching profession would provide a decent salary.

Now we are in danger of losing whatever we have gained from the increase in salary. County boards of education and graded school boards of education are all confronted with the necessity of practicing strictest economy. In many districts retrenchment is inevitable. Many well conceived plans for the improvement of schools must be abandoned temporarily because of lack of funds. Our economic situation demands that we shall keep the expenditures as low as possible. We must not, however, in our desire to economize lower teachers' salaries. To do this would be no economy but on the contrary would be profligate waste. The addition of a seventh month to the school term in many counties make it impossible to meet the salary schedule of last year. In these counties there seems to be no escape from a reduction of salary. We may expect in these counties not only a shortage of teachers but that the schools that are taught will be less efficiently taught. We must remember always that the matter of teachers' salaries is definitely linked with the question of preparation and living expenses. No teacher can be expected to keep herself up to standard in the educational field unless she is able to attend summer school at least once in three years. She must be adequately paid to the end that she can improve her condition. I desire to urge as strongly as possible that boards everywhere maintain the teachers' salaries up to present standards at least.

In its report, the Survey Commission uses the following language: "So long as such low salaries prevail, particularly in the rural sections, young men and women will not prepare themselves thoroughly for teaching. Unless the wages for well-trained teachers are materially advanced, Kentucky's schools will continue to be in the hands of teachers who know little more than the brighter children in the school and teachers will continue to teach only until they can find something else to do."

I share with boards their desire to retrench and to economize but it must not be done at the expense of teaching ability if we would improve or even hold our schools to the present standard.

CORNS

Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly! Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. ad

Trotters At Lexington

(By Associated Press) Lexington, Ky., May 18—The trainers of trotters and pacers at the Kentucky Trotting Horse Breeders Association track here are busily preparing their charges for the 1922 Grand Circuit trotting season. Some of the animals are looking especially good for so early in the season although few trainers have as yet put their charges to the test of a heat in faster than 2:30. Two big stables, containing animals belonging to a number of owners, have been added to the training strings on the local track during the last few days. The most notable animal of the bunch is Guardian Trust, 2:04 1-4. Mrs. H. M. Hanna's 3-year-old Belwin-Honeymoon colt.

Can Plead Self Defense

The Firing First Shot Frankfort, Ky., May 18—A man does not forfeit his right to plead self defense, even though he fires the first shot in a fatal battle, the Court of Appeals held in reversing the life sentence assessed against Add Shell by a jury in the Harlan circuit court for killing Henry Blanton. In its opinion the court said that the evidence showed that Blanton had threatened Shell with a pistol before the first shot was fired in a fight on Sept. 12, 1921, in which Blanton was killed. There had been some previous trouble between the men.

WOMAN'S AUXILIARY DOES A BIG WORK

(By Associated Press)

Charleston, W. Va., May 18—The report of the superintendent of the Woman's auxiliary to the Southern Presbyterian church which was submitted to the General Assembly here showed that in every phase of its work the auxiliary had been successful during the decade since it was authorized by the Assembly of 1912.

Foreign mission study classes, it was reported, now number 1,783 and the home mission study classes 1,511, giving a total number of 3,294 mission study classes, with a total membership of 48,937. The auxiliary reported also 1,522 Bible study classes,

with a membership of 20,575; 2,657 prayer bands with membership of 26,933; 9,236 family altars and 10,269 tithers. The increase in mission study classes during the year was 564; in the Bible study classes 442 and in the prayer bands 472.

Additional items of the educational work of the auxiliary are a higher sentimentality, a summer conference, which is held annually at Montreat, N. C., and which was attended in 1921 by more than 500 women; three conferences for colored women, one at Tuscaloosa, Ga., one at Christianburg, Va., and one at Atlanta, Ga., and a school for colored girls at Tuscaloosa. The woman's auxiliary is also active in conference in the interest of young people's work which are held in a number of synods each year.

No Chance To Salvage It

(By Associated Press)

Earlington, Ky., May 18—A committee of church women viewed the disposal of the police of 46 gallons of "white mule" liquor taken during a recent raid here, the liquor having been ordered destroyed by the police judge. The contraband wet goods was poured into creek which was polluted with copperas water from a coal mine.

WE WILL SELL FOR

Mrs. Wm. Devore

HER

3.06 Acre Farm

Located 1-4 mile from the city limits on the Four Mile Road, lays the Beautiful Little home of Mrs. Devore.

The IMPROVEMENTS consist of a 5-room house, in excellent repair, well arranged, and the wood work, painting and papering just recently done over—up-to-date; electric light wire running by the door, assuring electric lights; cistern at back door; concrete walk, concrete cellar, small barn, and all necessary out-buildings. Fences good, big garden, fenced with chicken proof fence, everlasting water.

SUBURBAN HOMES of this nature in and around Richmond are scarce. Why are they scarce? This is the reason: Think of the amount of saleable products you can raise on 3 acres of land and you are to close to a ready market for same. And last but not least think of the beauty, the independence, the tranquility of living where you can enjoy the sunshine and the wholesome fresh air and where life is prolonged by happiness.

THIS SMALL FARM is now covered with blue grass and every inch of this land is good. POSSESSION Immediately.

TERMS made known on day of sale. By calling at our office or seeing Mrs. Devore, we will be glad to show you this Beautiful Little Home before sale date.

BE ON HAND.
